Article I. The Killeen Parks & Recreation Philosophy

Section 1.01 KPR Mission Statement

The Killeen Parks and Recreation Youth Basketball League under the auspices of the Killeen Parks and Recreation Department (KPR) constitutes a youth Basketball league designed to build, develop, and nurture young athlete's abilities and love of the game.

KPR Mission Statement

The KPR structure and regulations are based on three (3) primary objectives.

(a) To provide as many Killeen youth the opportunity to participate and enjoy the youth Basketball experience.

Youth basketball is quite different from the NCAA or NBA basketball we see on television. In fact, for youth sports, the game of basketball is unique in that: (1) anyone, from the small point guard runner to the bigger center, can be a star...there is a place for everyone; (2) the game requires individual effort from each player, yet success is achieved only when each individual learns to rely on and work with the other team members; (3) more than any other youth sport, it teaches team play, competitiveness, rule enforcement and the need for a maximum effort on the part of its participants; and (4) it is fun. The KPR is committed to maintaining a structure, through controlling costs, outside sponsorships, etc. that allows as many Killeen youth as possible to enjoy the youth football experience.

(b) To provide those youth who want to improve their football skills the opportunity to do so through solid coaching and competitive opportunities.

Competition is a big part of improving ourselves. Sometimes being competitive is required in order to attain success. We want our youth to understand that learning to compete effectively is even more important than wins or losses.

(c) To use the lessons taught in basketball along with the role modeling of the league, its coaches, and personnel, in order to provide Killeen youth with a strong foundation from which to grow.

The KPR is well aware of the pressures, turmoil, and choices faced by today's youth. We realize the most important facet of any youth sport program, especially basketball, is the positive role it can play on the development of each individual participant. Coaches, have a direct impact in helping players believe in themselves, learn how to deal with competition, how to prepare to succeed and how to handle a win or a defeat. We, as the league and as coaches, must always remember that our ultimate goal is the development of our participants as individuals...we've just selected football as a fun way to teach those lessons.

Section 1.02 Sportsmanship

The KPR regards bad sportsmanship as unnecessary and completely intolerable.

What Is Good Sportsmanship?

Good sportsmanship is when people who are playing or watching a sport treat each other with respect. This includes players, parents, coaches, and officials.

- Have a positive attitude
- Give their best effort
- Shake hands with the other team before and after the game
- Support teammates by saying "good shot" or "good try". Never criticize a teammate for trying
- Accept calls and don't argue with officials
- Treat the other team with respect and never tease or bully
- Follow the rules of the game
- Help another player up who has fallen
- Take pride in winning but don't rub it in
- Accept a loss without whining or making excuses

What's a Parent's Role in Good Sportsmanship?

Kids learn how to be a good sport from the adults in their lives, especially their parents and their coaches. As soon as your child starts competing in sports, it's important to be a good role model. Any teams your child plays on should have coaches that encourage good sportsmanship.

Show your good sportsmanship:

- Keep sideline comments positive and encouraging
- Don't bad-mouth coaches, players, or officials
- After a competition, don't focus on who won or lost. Instead, try asking, "What did you do well during the game?" "Was there something you wish you could have done better?" If your child feels there was something that could have gone better, offer to work on it together before the next game
- Applaud good plays, no matter who makes them
- Congratulate the winners, even if they're on the other team

(a) Coaches

(i) All KPR coaches are required to demonstrate positive sportsmanship in respect to their players, team parents, opposing team players, parents, coaches, and game officials. Coaches who are unable to demonstrate the proper sportsmanship will be suspended from further coaching in the KPR. Any coach who is ejected from a game for unsportsmanlike conduct will be required to leave the field of play/facility and will be unable to coach in the next scheduled game. This includes post-season play. The continued demonstration of improper sportsmanship may constitute suspension from any number of games KPR deems necessary. Coaches are also responsible in assisting referees with the sportsmanship of all playing and non-playing team members, as well as spectators and assistant coaches.

(b) Participants

(i) Sportsmanship is a priority in the development of KPR athletes. All participants must demonstrate positive sportsmanship at all times. Those who cannot may be dismissed from the game, by the game official. The continued demonstration of improper sportsmanship will constitute suspension from any number of games that KPR deems necessary.

(c) Spectators

(i) All spectators must remain seated throughout all KPR games and are expected to demonstrate positive sportsmanship. Spectators, who fail to do so, will be required to leave the game site and will not be allowed to attend the next game. The continued demonstration of improper sportsmanship will constitute suspension from any number of games that KPR deems necessary.

Article II. KPR Youth Basketball Program

Section 2.01 Definitions

- (a) KPR. Killeen Parks and Recreation Department.
- (b) Coordinator. Designated Recreation Coordinator for KPR will serve as the KPR Coordinator.
- (c) Director. Director KPR/ or his designee will serve as the KPR Director.
- (d) Pronouns. The personal pronoun of either gender (him, her, he, she, etc.) shall apply equally to males and females.

Section 2.02 Rule Administration

KPR Staff acts on the behalf of players, coaches, and parents as representatives. Any approved modification or changes from KPR will be distributed in writing to the effected teams as soon as possible.

Section 2.03 League Structure

The Director is responsible for overseeing the administration of the football program. The Coordinator manages the day to day operations of each team(s) in each division(s). Divisions are separated into three separate divisions based on age(s).

Section 2.04 Player Eligibility

All players, ages 5-12, are eligible to participate in the KPR basketball program. Ages are based on the age of the player from 1 September 2019.

- a. If a player's birthdate is 15 July 2012, they will be 7yrs old at the start of the season and will participate in the 8 and under Division.
- b. If a player's birthdate is 15 September 2012, they will be 6yrs old at the start of the season and will participate in the 6 and under Division.

Note: The KPR believes players should participate at their own age level. We discourage the practice of playing up with older participants.

Section 2.05 Coaches Eligibility

Adult volunteers (18yrs and older) will act as football coaches. They will be selected by and allowed to coach under the authority and approval of KPR. As a result, coaches may be removed for cause, at any time by KPR.

(a) In addition, all KPR coaches must complete and follow:

(i) Criminal background checks will be conducted.

(ii) The recognized Head or assigned Assistant Coach are required to be present at all practices, games, and mandatory meetings.

(iii) All rules and regulations apply equally to the Head and Assistant Coaches unless otherwise specified.

Section 2.06 Coach Selection

Head Coach selection shall be based upon sportsmanship, experience, leadership, dependability, and ability to assume overall responsibilities of the team.

The three (3) Assistant Coaches will be selected by the team's Head Coach. The Head Coach must ensure all Assistant Coaches are certified prior to the first practice as written in section 2.05. Assistant Coaches must be in the capacity to coach the team for the entirety of the season. Coaches should not be picked based on their child's skill level or position. Only Head Coach and Assistant Coaches will be allowed on the field during games.

(i) These numbers should be disseminated to parents and the public as widely as possible.

(ii) Inclement weather decisions are normally made after 3:00 PM on weekdays and by 7:30 AM on Saturdays.

Section 3.03 Liability

The KPR and KPR are not liable for any injury to players, officials, cheerleaders, coaches, spectators, media, sideline personnel, or any other persons attending a KPR or KPR event.

Article IV. Youth Basketball League Operations

Section 4.01 Scheduling of Games

KPR will schedule all games for the KPR Basketball league in each Division KPR has a team represented. KPR will make all efforts to alleviate conflict dates/times in the scheduling of games. There are no guarantees.

Once the season schedule is posted, KPR will inform all Head Coaches. Rescheduling will be limited to rainouts and administrative issues, at the discretion of KPR.

Section 4.02 Players per Team

It is our intent for each team to have 8-10 players. These numbers may be adjusted based on the number of players and teams available in a division.

Section 4.03 Loss of Players

If at any time, a team loses a player, (whatever the reason) the Head Coach must contact the league office via email within forty-eight (48) hours after realizing this loss and inform KPR of the loss.

It is our intention to contact all players who withdraw from the league to:

- (a) Determine why they left;
- (b) Determine what the KPR can do to improve its ability to retain its players.

If the loss occurs early enough in the season, the open slot on the team MAY be filled by the assignment of a player from a "waiting list."

Section 4.04 Uniforms

Player game uniforms are provided as part of the registration fee. Teams may not modify the jersey in any way other than what is instructed by KPR. Any player with an illegal uniform will not be allowed to play.

Section 4.05 Equipment

Injuries that require medical attention will be handled by Coach, KPR staff and/or Parent/Guardian.

Section 5.10 Hazardous Weather

The protection of Killeen Parks & Recreation participants is of paramount importance. Every participant should recognize the danger presented by lightning, tornados and other hazardous weather. The following items represent generally accepted principles regarding the dangers involved with lightning and tornados.

Over the past century, lightning has consistently been 1 of the top 3 causes of weather-related deaths in this country. It kills approximately 100 people and injures hundreds more each year. Lightning is an enormous and widespread danger to the physically active population. Practice and training increase recreation performance. Similarly, preparedness can reduce the risk of the lightning hazard. Lightning is the most frequent weather hazard impacting athletics events. Baseball, football, lacrosse, skiing, swimming, soccer, tennis, track and field events...all these and other outdoor sports have been visited by lightning. Education is the single most important means to achieve lightning safety. The following is the lightning safety plan for Killeen Parks and Recreation as suggested by the National Lightning Safety Institute:

1. If the athletic area should need to be cleared the following is a list of SAFE lightning evacuation sites. SAFE evacuation sites include:
 - a. Fully enclosed metal vehicles with windows up.
 - b. Structurally sound buildings.
 - c. The low ground. Seek cover in clumps of bushes.
2. UNSAFE LIGHTNING SHELTER AREAS include all outdoor metal objects like flag poles, fences and gates, high mast light poles, metal bleachers, golf carts, cars, machinery, etc. AVOID trees. AVOID water. AVOID open fields. AVOID the high ground.
3. Lightning's distance from you is easy to calculate: if you hear thunder, it and the associated lightning are within auditory range...about 6-8 miles away. The distance from Strike A to Strike B also can be 6-8 miles. Ask yourself why you should NOT go to shelter immediately. Of course, different distances to shelter will determine different times to suspend activities. A good lightning safety motto is: "If you can

see it (lightning) flee it; if you can hear it (thunder), clear it."

4. If you feel your hair standing on end, and/or hear "crackling noises" - you are in lightning's electric field. If caught outside during close-in lightning, immediately remove metal objects (including baseball cap), place your feet together, duck your head, and crouch down low in baseball catcher's stance with hands on knees.

5. Wait a minimum of 30 minutes from the last observed lightning or thunder before resuming activities.

6. People who have been struck by lightning do not carry an electrical charge and are safe to handle. Apply first aid immediately if you are qualified to do so. Get emergency help promptly.

LIGHTNING:

- i. All thunderstorms produce lightning and are dangerous.
- ii. Lightning often strikes as far as 10 miles away from any rainfall. You are in danger from lightning if you can hear thunder. You are in danger if you can see lightning.
- iii. Lightning injuries can lead to permanent disabilities or death. Look for dark cloud bases and increasing wind.
- iv. Lightning can travel sideways for up to 10 miles and strike when skies are blue.
- v. Soccer fields are a dangerous place to be during a lightning storm. When lightning is seen or thunder is heard, or when dark threatening clouds are observed, quickly suspend the game and/or practice and move to a safe location.
- vi. Avoid standing in an open area, near soccer goals, under a tent, near trees or in water. The safest place during a thunderstorm with or without visible lightning is in a car, but not a convertible.

TORNADOS:

- i. Watch for rapidly darkening skies.
- ii. The sound of an approaching tornado is often described as that of an approaching train.
- iii. The funnel of a tornado does not have to touch down to cause extensive damage and injuries.
- iv. Tornadoes can produce winds of 300 miles per hour or more.
- v. Most people who are hurt during a tornado are hurt when they are struck by flying debris.
- vi. Seek safety in a solid structure, preferably in a basement or in an interior room. If no building is available, lay down in a ditch.

LIGHTNING DETECTORS:

KPR staff will carry a "Personal Lightning Detector" during any outdoor event, open swim, or field competition. The "Strike Alert HD" has 360-degree lightning strike

detection and detects lightning up to 40 miles away. This device serves as further security against lightning storms.

GAME SUSPENSION REQUIREMENTS:

In any of the circumstances outlined below occurs, KPR staff or referee(s) should immediately suspend the game:

1. If thunder is heard, the game should be suspended and the fields cleared. Everyone should immediately go to a safe shelter.
2. If lightning is seen, the game should be suspended and the fields cleared. Everyone should immediately go to a safe shelter.
3. If a thunderstorm is heard or seen coming or your hair stands on end, the game should be suspended and the fields cleared. Everyone should immediately go to a safe shelter. Do not wait until it rains.
4. Wait a minimum of 30 minutes from the last observed lightning or thunder before resuming activities.
5. The game will be cancelled by the decision of KPR staff if lightning continues for an extended amount of time, or if the forecasted weather is unsafe for participants and spectators.

Anything not covered within these by-laws falls under our youth sports policies and procedures manual
