SWIMMING LESSONS

Killeen Recreation Services will not be hosting swim lessons for the 2020 Aquatic Season.

POOL RENTALS

Killeen Recreation Services will not be offering facility rentals for the 2020 Aquatic Season.

WEATHER POLICY

Safety of our citizens is of utmost importance when we operate our facilities. Lifeguards and supervisory staff are empowered to deem the pools unsafe for swimming in cases of inclement weather. The outdoor pools may be closed due to the following weather conditions:

- If lightening or thunder is present or pending
- If a Severe Storm Warning has been issued within 30 miles
- If rain, hail, wind or any other weather condition presents a safety concern
- If the swim center experiences a power outage
- If there is low attendance (less than 25) due to weather conditions such as low temperatures (less than 70 degrees outside)

Lightning and Thunder

In the event of thunder and/or lightning, the outdoor pool will be evacuated and closed immediately. Guests must leave the pool deck immediately. The pool will remain closed for 30 minutes after the last sighting of lightning or sound of thunder, so long as at least 60 minutes of general swimming time is remaining.

Rain

The outdoor pool can be open during rain but must be closed immediately if the rain severely impedes the view of the main drain at any time or obscures the vigilance of the Lifeguards. The pool will reopen once visibility is restored and chemicals are adjusted as needed.

Tornado Warning

During a tornado warning all outdoor pool users will be asked to go take shelter into their respective restrooms.

Closing for the remainder of the day

If pools are required to close at opening time due to inclement weather for more than two hours before opening all pools will attempt to open at 2:00 p.m. If the weather does not permit pools to open by 2:00 p.m., they will not open for that day. Please call the pool before you leave home. If inclement weather continues for two hours during normal hours of operation the facility will close for the remainder of the day.

No Refunds/Rainchecks

Texas weather is unpredictable and for that reason refunds/rain checks are **not issued** as a result of unscheduled pool closures due to weather.
