BOIL WATER NOTICE ISSUED

(KILLEEN, TEXAS): A **BOIL WATER NOTICE** is issued for properties located at 1004-1402 Stewart Street and 1405 East Rancier Avenue effective Monday, January 4.

An inoperable fire hydrant necessitates a boil order.

Residents in the affected location are cautioned to **BOIL ALL WATER BEFORE CONSUMING.** Residents will be notified when the boil water notice is lifted.

Residents may call the Water and Sewer Services help line at 501-6319 with questions or concerns.

TCEQ Required Notice:

Due to conditions caused by maintenance of the water system, the Texas Commission on Environmental Quality (TCEQ) requires the city of Killeen, PWS 0140006, to notify all customers in the above listed area to boil their water prior to consumption.

To ensure destruction of all harmful bacteria and other microbes, water for drinking, cooking, and for making ice should be boiled and cooled prior to consumption. The water should be brought to a vigorous rolling boil and then boiled for two minutes. In lieu of boiling, you may purchase bottled water or obtain water from some other suitable source. When it is no longer necessary to boil the water, the water system officials will notify you.
