VOICE YOUR CHOICE 2015 SURVEY

(KILLEEN, TEXAS): Killeen residents are invited to voice their choice by completing a survey to help identify priorities in community development strategies. Residents 18 and older can take the survey at www.killeentexas.gov/communitydevelopment, or text message, “Voice2015” to 24587 through April 30.

The results will be combined with responses from community planning meetings to create a 5-year Consolidated Strategic Plan to submit to the U.S. Department of Housing and Urban Development (HUD).

The City of Killeen receives funds through the Community Development Block Grant (CDBG) and Home Investment Partnerships (HOME) Program from HUD. The City must produce the 5-Year Consolidated Strategic Plan to meet the HUD Community Planning and Development submission requirements for formula grant programs.

Survey responses will impact funding and help guide the City in meeting community development needs.
