ROAD MAINTENANCE CONTINUES MONDAY AND TUESDAY

(KILLEEN, TEXAS): Crews are performing preventative maintenance on several city streets. Work takes place from 8 a.m. to 5 p.m. daily. Residents in affected areas will receive additional notice as service times near.

Each year, streets are identified to be slurry sealed, a process that extends the life of streets and provides a smoother riding surface. Slurry sealing involves the entire street surface, curb to curb, so cars in affected areas must not park in the roadway. Vehicles may use the roadway once the barriers are removed.

Traffic will be routed around the work zones during these times. Motorists should plan alternate routes.

The streets in order of service are:

<u>July 27</u>	Turner Avenue Moonlight Drive Stardust Street	from 38 th Street to 58 th Street from Cora Avenue to Lake Road from Cora Avenue to Lake Road
<u>July 28</u>	Stetson Avenue 48 th Street 58 th Street	from Terrace Drive to Hillside Drive from Veterans Memorial to Water Street All
