- Conveyor System:** a car wash in which sprays and/or brushes are mounted on stationary arches and spray a vehicle that moves underneath along a conveyor.
- In-Bay Automatic System:** a car wash in which the vehicle remains stationary within a wash bay while automatic arms move back and forth over the vehicle.
- Self-Service Bays:** a commercial car wash in which the vehicle remains stationary within a wash bay and is washed manually by the customer using high-pressure sprayers and brushes.
Number of bays: _____

Water/Sewer Account No. _____

PART 2 - AGREEMENT

The undersigned individual, as owner/operator of the vehicle wash facility identified in Part 1 above, hereby agrees to abide by each of the applicable conditions of the City of Killeen (COK) Vehicle Wash Facility Certification Program and to maintain the vehicle wash facility according to such conditions for the period of certification. In consideration for participation in the COK Vehicle Wash Facility Certification Program, the undersigned owner/operator of the vehicle wash facility (or his/her authorized representative) hereby authorizes employees of COK or a designated representative to enter the premises at any time during routine business hours to perform inspections for the purpose of determining compliance with the COK Vehicle Wash Facility Certification Program. Inspections of limited access areas may be performed only after reasonable notice has been provided to the contact person identified in Part 1 above. The certification by COK of the above-identified facility is non-transferable and terminates upon transfer of ownership of the facility. As a further condition of certification, the undersigned owner/operator hereby agrees to notify COK in the event any of the following changes should occur: 1) if the facility is modified in a manner that will require an update to any information provided in this application; 2) if the facility is substantially altered with regard to the number of bays in operation; or 3) if the type of facility has been changed from that which is indicated in Part I above.

The undersigned hereby agrees to hold COK harmless with regard to its certification of the above identified facility or the undersigned's participation in the COK Vehicle Wash Facility Certification Program. Further, the undersigned expressly agrees if any condition of the COK Vehicle Wash Facility Certification Program that is applicable to the above identified facility is found to be in non-accordance with the prescribed program as determined by COK, certification shall be immediately surrendered by the undersigned until such time that the facility becomes re-certified.
