Getting a KCLS Library Card

The Killeen City Library System borrower cards are free of charge to all residents of Bell, Coryell, Lampasas and Williamson Counties. Residents from other Texas counties can obtain a Killeen Public Library Card by presenting a TexShare Card issued by their local public library or by their college or university library. Please stop at the Check-Out Counter of either of our libraries for a borrower card application.

You will need to bring the following information when you sign up for a library card:

Photo I.D. – must be issued by a state or the federal government and show an expiration date in the future.

Proof of address—a current utility bill, rental agreement or similar document that is dated within the last 60 days.

Minor children between the ages of 5 and 17 may be issued individual library cards on their parent's or legal guardian's library account, at the request of the parent or legal guardian. Legal guardians and foster parents must provide proof of guardianship.
