

Killeen Municipal Court

Juvenile Community Service

Pursuant to Chapter 45.049 Texas Code of Criminal Procedure, community service may be performed at:

- ✪ **A governmental entity, non-profit organization, or another organization** that provides services to the general public that enhance social welfare and the general well-being of the community as determined by the justice or the judge.
- ✪ An educational institution.

And:

- ✪ You must **not** be financially compensated for hours worked.

You are being provided with a list of locations that you can contact for community service placement. It is your responsibility to make contact and arrange how you will work out your hours.

This list is not comprehensive and is simply intended to assist you in locating a community service agency. Please be aware that the requirements of each agency will vary and we have included some notes to help with your selection. No agency is required to take you on as a community service worker. Defendants performing community service will be expected to comply with all the rules and regulations required by each agency. Disrespectful behavior and vulgar language will not be tolerated. Appropriate clothing must be worn at all times. The Court reserves the right to refuse or terminate any defendant from participating in community service for breaching the dress code, disregarding rules, disrespectful or unruly behavior, or any conduct that disrupts the mission of the agency/community service location.

If you wish to perform your community service hours at an alternative agency, not on this list, please ensure that the requirements above are met. If you have any questions about the eligibility of the location in which you wish to perform community service hours, please contact the Juvenile Case Managers.

Online community service is not accepted by this court.

You are also being provided with a Community Service Time Sheet. You must take your timesheet with you each time you perform community service hours. Make sure that the supervisor or person you report to completes your timesheet. It must be completed in full each time and include the name and telephone number of the person authorizing your community service hours.

Each entry must be legible in order that the court can verify the timesheet.
